

EMERGENCY ACTION PLANNING AND ASSESSMENT

If something happens at your place of business, do you have an Emergency Action Plan (EAP)?

Raidon Tactics Inc can assist your company with that task and develop a plan and standard operating procedures that will cover the worst-case scenario that could happen. Will we not only develop the plan but also educate your employees and train them in all needed actions in that situation. Raidon Tactics Inc believes that a EAP must be simple and easy to follow. Some situations that we can help with are Bomb Threat scenario, Active Shooter scenario and a whole myriad of others. Raidon Tactics Inc will conduct a Threat Vulnerability Assessment (TVA) of your facility and areas around you to better educate you on what is a realistic threat. This allows better and more economical use of time, money and effort. Reduces liabilities and possibly insurance costs.
