

Evasive Driving (3 Days)

This course of instruction is for those individuals who are living, working or visiting high threat areas that have high criminal or terrorist activities and teaches advanced driving skills and the basic skills required to maneuver a vehicle out of an attack zone. The student will learn how to recognize, respond and escape from an attack while operating a motor vehicle. The techniques used to counter attacks from either common criminals or organized terrorist groups. This course is excellent for personnel that have been threatened, traveling in high threat areas of the world, or designated drivers for executives or high-ranking officials.
