

HIGH THREAT COUNTRY EVACUATION SERVICES

In today's world of international business, the threat level can change in a instant from safe to extremely dangerous. If you have personnel overseas in a high threat country doing work, it is imperative to have an Emergency Action Plan in place for the possibility of hostilities or other contingencies. Raidon Tactics Inc provides the services needed to assure safe and secure passage from one country in the middle of hostilities to one that is not. We offer Escort and Evacuation services to any country, over any terrain.
