

PRE-MISSION HIGH DESERT TRAIN UP (PMT)

Raidon Tactics Inc. can accommodate your PMT with a very large training area in a high desert that closely resembling a country currently in conflict. There is a mountain range, valley, airfield and many other targets including a DZ for heavy drop of airborne troops and equipment. Housing can be right on the facility, with an arms room and dining facility also. There is an unknown distance range, a shoot house, and an off road skills area. Call Raidon tactics Inc. for one of the best non DOD owned training facilities for a Battalion Sized element.
