

Executive Pre-Travel Individual Protective Measures Course

This 7-day course covers the big five classes for High threat Awareness training, preparing individuals for travel to high threat countries. Subjects covered are The History of Terrorism, Terrorist Operations, Hostage Survival, Detecting Terrorists Surveillance and Individual Protective Measures. Once classroom portions are complete, the students will receive Route planning and Surveillance detection practical exercises in the Lillington and Fayetteville NC area. The course then focuses on more advanced Protective Measures by teaching evasive driving and Concealed carry Firearms technique. Evasive driving subjects are basic and advanced driving skills required to maneuver a vehicle out of an attack zone. The student will learn how to recognize, respond and escape from an attack while operating a motor vehicle. The techniques used to counter attacks from either common criminals or organized terrorist groups. The firearms portion of the course is an introduction to firearms that focuses on the fundamentals of shooting safety, weapons handling and marksmanship. The client will quickly gain experience, confidence and increase his skill level with a handgun. The client will receive an NRA certificate for Handgun fundamentals.
